

**Stefan Ries**

Senior Vice President – Equity Capital Markets – Sal. Oppenheim Germany

Stefan Ries, born November 16 1962 in Wiesbaden, is a Senior Vice President in the Equity Capital Markets team at Sal. Oppenheim in Frankfurt since 2000.

He completed his studies of business administration in 1991 with a degree as Diplom-Kaufmann from Johann Wolfgang von Goethe-University in Frankfurt. Thereafter, he started his career at Sal. Oppenheim for four years and changed to BHF-Bank for further four years. During that time he gained experience in advising clients on their funding strategy as well as on structuring and executing numerous capital market transactions for medium sized companies.

In 2000 he returned to Sal. Oppenheim and worked successfully on numerous initial public offerings, capital increases, mezzanine fundings as well as take over bids. Stefan Ries realised various Greek capital market transactions, recently the 800 million euro capital increase of Alapis S.A.
