A. KALPINIS - N. SIMOS SA
STEEL SERVICE CENTERS

Athens Forum, 17 - 18th April 2008

A KALPINIS - N. SIMOS S.A. has a long and successful presence in the sector of marketing and processing steel products since 1958.

The main products marketed cover the needs of technical and constructions companies, industrial plants, refineries, farming industries as well as the needs of shipbuilding and the ship-repairing industry. These products can be classified into three main groups each one of which involves a large number of products, among them steel products, longitudinal steel products and iron pipes.

Market Cap.: €0,054bn

Sector: *Industrials*

Speaker: Athanasios Kalpinis, Managing Director
