

Arbonia Forster Holding (heating technology, kitchen and building supplies, steel technology)

AFG Arbonia-Forster-Holding AG (AFG) is a leading supplier to the construction industry and follows the vision "One Building - One Stop". The Group comprises five divisions (Heating Technology and Sanitary Equipment, Kitchens and Refrigeration, Windows and Doors, Steel Technology as well as Surface Technologies). AFG has production facilities in Switzerland, Germany, France, the Czech Republic, China and in the USA. The Group operates in some 80 countries worldwide, but generates about 78% of sales (2006) in its core market Switzerland and Germany. The company aims to enter new markets for its products in Eastern Europe, Russia, Middle and Far East by acquiring either complementary products or businesses. AFG also wants to internationalise the business to decrease the dependency from its core markets Switzerland and Germany.

Speaker:

Dr. Edgar Oehler, Chairman of the Board of Directors, CEO of the Company as well as majority shareholder of AFG.
