

Kwok Li

Director – Brokerage Services

Dubai International Financial Centre Authority

Kwok Li, is responsible for attracting brokerage operations to DIFC. Mr Li has been involved with broking for most of his career, most recently with Credit Lyonnais Securities Asia (CLSA) in Hong Kong where he was Head of Asian sales for G-Trade, the Direct Market Access (DMA) product of CLSA. Prior to that, he worked for Instinet Far East and James Capel Pacific on the portfolio trading desk and spent 21 years working in Hong Kong and Singapore. Kwok started his career on the soft commodity floor of the London Commodity Exchange and has experience in trading equities, derivatives, futures and options.
