

SAL. OPPENHEIM

Privatbankiers seit 1789

Raiffeisen International is one of the leading banking groups in Central and Eastern Europe. With its constantly expanding network in Central and Eastern Europe, Raiffeisen International has developed into one of the region's leading banking groups, offering the widest geographical reach (over 13 million private, corporate and investment banking customers). In nine markets, Raiffeisen ranks among the three largest local banks and is market leader in Albania and Serbia. In Russia, Raiffeisen is the largest international bank.
