Deutsche Telekom as one of the world's leading telecommunications and information technology service providers.

It offers millions of private and corporate customers all over the world the entire spectrum of modern information technology and telecommunications services, whether fixed-network, wireless and broadband or complex IT and telecommunications (ICT) solutions for business customers. There are three customer brands under the global umbrella brand "T": T-Home for all products and services at home; T-Mobile for products and services while on the go; and the brand T-Systems offers medium to large-sized customers ICT solutions around the world.

Market Cap.: €60bn
Sector: *Telecommunications*
